Next year's sixth annual convention is about **friendly competition, team loyalty, and good sportsmanship!**

We've tentatively-scheduled **Thursday evening as the Sports Event** and each guest will have the opportunity to **show their true colors**. Convention attendees can show some friendly rivalry by "**dressing out**" in support of one of the nine selected North and South Carolina college teams while competing at Double Shot Basketball, sports trivia and other games for all ages!

Ideas **under consideration:**

Anonymous judges may choose the **fan from each school** most enthusiastically "**dressed out.**" Winners recognized on stage and prizes presented. Great moments in sports history projected onto a large screen. **Children of all ages might enjoy a face painting booth** and guests of **all ages** can bid on **sports memorabilia** in our **silent auction**.

A coach or sports personality as the Friday morning **motivational keynote speaker**.

On Thursday guests can **earn points** for their school by competing in a wide variety of competitions. Points will be tallied for each school and the **winning school** will be announced immediately following Friday's entertainment. **Pedometers could be issued** to each guest at **check-in** and mileage recorded, prizes awarded, for the guest with the highest recorded mileage, these points will also be seeded to the school of each participants' choice!

We've begun **preliminary research** of college **basketball** or **football heroes** who **endorse products** sold in our stores. If you have **suggestions** or **connections** please **let us know!**
